FPU BRINGS A TRADITION OF EXCELLENCE TO THE HEALTHCARE ADMISINTRATION DEGREE

ALUMNI SPOTLIGHT

Jordan Liang '18

Associate Patient Experience Representative, Boston Children's Hospital

"My degree from Franklin Pierce helped me become a leader and innovator in the business side of healthcare. I was given the opportunity to find out what skills I'm strong in, while seeking improvement on skills I lacked. With the healthcare industry constantly changing, I was able to adapt to new information about healthcare systems, management, policies and ethics. The Healthcare Administration program was crucial in jumpstarting my career."

HEALTHCARE ADMINISTRATION

Franklin Pierce University
College of Business

ABOUT THE PROGRAM

Your Healthcare Administration major prepares you for an exciting career in the fast growing, rapidly changing field of healthcare. This is the perfect major if you are interested in the business side of the U.S. healthcare system. You'll learn how leadership, economic and political factors, and ethics affect healthcare.

PROGRAM HIGHLIGHTS

Franklin Pierce is the only New Hampshire university with business programs accredited by the International Accreditation Council for Business Education (IACBE). Franklin Pierce's Business Plus Program offers 3-year accelerated programs as well as 3+1 and 4+1 options which allows students to earn their undergraduate and master's degree in less time, entering the workforce sooner.

You will study the core functions of an effective business. You will explore principles and practices of leadership, strategic planning and quality improvement in healthcare organizations, and apply qualitative and quantitative tools to a capstone project.
