MSN/MBA

Franklin Pierce University
College of Business
fpuonline@franklinpierce.edu

Take your career to the next level with a Master of Science in Nursing (M.S.N.)/Master of Business Administration (M.B.A.) Dual Degree. As a registered nurse looking to pursue a leadership role, you can develop your expertise in nursing and business.

Experienced nursing faculty will guide you through a curriculum accredited by the Accreditation Commission for Education in Nursing. The M.B.A. in Leadership curriculum will then build upon the advanced nursing concepts from your M.S.N. studies. Explore a range of business disciplines to understand quantitative and qualitative relationships in your organization. In addition to earning two Master's degrees, students will also earn a Healthcare Administration Certificate.

By earning an M.S.N./M.B.A. at Franklin Pierce University, you will be forging your way to securing a high-level executive position such as Chief Nursing Officer, Chief Executive Officer, or Unit Manager within your organization. YOU will have a powerful seat at the table inspiring, influencing, and implementing critical changes in today's healthcare field.
