**Request for Financial Aid Probation**

All students receiving financial assistance are required to make Satisfactory Academic Progress as a condition of receiving financial aid. Guidelines relative to Satisfactory Academic Progress can be found on the Financial Aid page on our web site: [www.franklinpierce.edu](http://www.franklinpierce.edu)

You are filing this appeal because you have failed to meet the requirements outlined under Satisfactory Academic Progress. Students granted an appeal will be placed on financial aid probation and awarded financial aid for **one semester only**, pending the measurement of satisfactory academic progress during the probationary period.

All students that have failed to make Satisfactory Academic Progress are encouraged to consult with the Center for Academic Excellence for assistance with mapping out a plan in order to achieve passing status. Your appeal must include a copy of an academic plan that you have made with your academic advisor signed by both you and your advisor.

Please answer *in detail* the following, attaching additional pages as necessary:

1. Why did you fail to make Satisfactory Academic Progress?
2. What has changed that makes you confident you will achieve Satisfactory Academic Progress in the coming term?
3. What is your plan for the upcoming term to make Satisfactory Academic Progress?
