Each year the Career Services Office conducts a survey of graduates from the Rindge Campus regarding their post-graduation plans. An initial questionnaire is completed just prior to May graduation in conjunction with the Alumni Relations Office and the Career Services Office conducts a mail, phone and e-mail survey the following December.

Of the 296 individuals surveyed, career information was obtained from 112 graduates (37.8%) Of those responding to the survey:

- 76 (67.8%) were employed in professional positions
- 25 (22.3%) were enrolled in graduate school or planning to attend graduate school in 2011
- 12 (10.7%) were still looking for jobs or employed in summer, temporary or non-professional positions
