SENIOR SURVEY – Class of 2013  
College of Rindge  
Each year the Career Services office conducts a survey of graduates from the Rindge Campus regarding their post-graduation plans. Initial data is collected in May with a more formal survey being conducted the following December. Information on current employment status is collected through an electronic survey, phone calls, in-person contacts and social media.

Of the 249 individuals surveyed, career information was obtained from 122 graduates (48.9%).

Of those responding to the survey:

- 79 (64.7%) were employed in professional positions
- 17 (13.9%) were enrolled in graduate school or planning to attend graduate school in 2014
- 11 (9%) were enrolled in graduate school and working
- 2 (1.6%) were enrolled in AmeriCorps
- 2 (1.6%) were enrolled in other educational programs
- 1 (.8%) enrolled in the military
- 10 (8.1%) were still looking for jobs or employed in summer, temporary or non-professional positions
