 - c. **SCIENCE or MATH**
See details in the *Academic Course Guide for First Year Students*
GS003 Math Skills is by placement only
3. Choose additional courses for a total of no more than 16 credits. Use the curriculum guides in the *Franklin Pierce Catalog* and the List of Courses Open to First Year Students in the *Academic Course Guide for First Year Students* to help you.
4. It is not necessary to fill in section number, instructor name, day or times. These will be completed for you based on the information you provide on your academic preferences form. **It is important to thoroughly complete the pink Academic Preferences form and return it with your registration form.**
5. List at least 3 alternate classes on the bottom portion of the registration form.
6. Return the Registration & Academic Preferences forms **by July 1, 2008** in the envelope provided. Your course selection will be processed based on the date your registration form is received. **You will receive a copy of your schedule in mid-August, and will have the opportunity to make changes at Orientation, prior to the start of classes.** Forms received after July 1, 2008 will be held & processed when you arrive for Orientation. While it is preferable to mail the form, forms can be faxed to (603) 899-4069.
7. If you have any questions or difficulty with this process, please contact your Personal Admissions Counselor at 1-800-437-0048 or at admissions@franklinpierce.edu. You can also call the Office of the Registrar at (603) 899-4068 or contact the Registrar by email at registrar@franklinpierce.edu.
