Please arrange to have the following information sent along with your application or under separate cover: proof of graduation in the form of high school transcript, college transcript, or a GED certificate issued by your State Department of Education.

The status "non-matriculated student" permits you to enroll for courses and earn college credit as verified by a Franklin Pierce University transcript. Although credits earned as a "non-matriculated student" are in every way equivalent to those earned by degree candidates, they may be applied to the completion of a baccalaureate program only following application and formal acceptance of the student to a degree program at Franklin Pierce University.

If in the future you wish to apply for baccalaureate degree status, you should contact the Admissions Office. As a matriculated student, you would also be eligible to apply for financial aid.

Franklin Pierce University does not discriminate on the basis of sex, race, religion, age, disability, national or ethnic origin, sexual orientation, marital status, or other legally protected classification in the administration of its educational policies, admissions policies, scholarship or loan programs, athletic and other University-administered programs or activities.
