**FLEXIBLE**

**100% ONLINE**

**FINISH IN  
AS FEW AS  
18 MONTHS**

Advance your management career by earning your MBA with a concentration in Accounting from Franklin Pierce University. You'll examine a wide range of business topics, including leadership, marketing, operations management, and communications, while also acquiring technical skills in accounting and financial analysis. You'll be prepared to advance in general management or accounting leadership roles such as Controller or Chief Financial Officer, in for-profit, non-profit, and governmental organizations.

Course concepts are presented in practical and quantitative terms so you can apply your learning to your workplace immediately, and help prepare for professional certifications such as Certified Management Accountant (CMA) or Certified Financial Analyst (CFA).

You'll work closely with exceptional professors and an adviser to develop a full or part-time schedule that fits your needs. Choose from classes offered 100% online.

## ADMISSION TO THE PROGRAM

You must have a bachelor's degree from a regionally accredited college or university, generally with a CGPA of 2.8 or greater on a 4.0 scale. Acceptance to the MBA program requires competency in the areas of accounting and statistics. You must also complete the following undergraduate accounting coursework:

- Accounting I
- Accounting II

Successful completion is defined as having a CGPA of 2.8 or greater, with no grade below a C, in the prerequisite accounting courses.

\*Applicants who have not taken one or more of the pre-requisite undergraduate accounting courses, but who have substantially mastered the applicable accounting competencies by other means such as professional experience, may prepare documentation of how these pre-requisite courses have been met at the time of application. This documentation will be reviewed for consideration of waiver of one or more pre-requisite courses.

**Detailed admission and acceptance criteria are listed in the Academic Catalog.**
