Take your career to the next level with a Master of Science in Nursing (MSN)/Master of Business Administration (MBA) Dual Degree. As a registered nurse looking to pursue a leadership role, you can develop your expertise in nursing and business.

Choose an Master's concentration in either Nursing Education or Nursing Leadership. Faculty members who are experienced professionals will guide you through a curriculum accredited by the Accreditation Commission for Education in Nursing. The MBA in Leadership curriculum will then build upon the advanced nursing concepts from your MSN studies. Explore a range of business disciplines to understand quantitative and qualitative relationships in your organization.

As a Franklin Pierce University graduate, you will be prepared to assume new positions, exhibit leadership skills, pursue an entrepreneurial endeavor, start your own business, or teach in both academic and clinical settings.
