

MASTER OF PHYSICIAN ASSISTANT STUDIES HYBRID PROGRAM- Arizona

FPU BRINGS A TRADITION OF EXCELLENCE TO THE MASTER OF PHYSICIAN ASSISTANT STUDIES

AFFORDABLE

FAST

FLEXIBLE

COMPLETE IN JUST 24 MONTHS

The Master of Physician Assistant Studies (MPAS) Hybrid Program is designed to prepare PAs to provide compassionate care with the highest level of clinical excellence and ethical standards. We develop PAs who are patient advocates, critical thinkers, and lifelong learners. We nurture the development of culturally sensitive leaders who embrace diversity, equity, and inclusion to serve patients within their communities.

Explore a technology-rich environment where you will engage in clinical training experiences close to home.

Your clinical training will include rotations in primary care, internal medicine, emergency medicine, general surgery, mental health, pediatrics, women’s health, and two elective rotations.

Develop hands-on, practical skills during scheduled immersion weeks at the Goodyear, Arizona campus. In addition to online instruction, local clinical experience is a vital component to the program. Full-time courses are designed for program completion in 24 months.

Coursework must be recent (within the last 10 years).

All prerequisite courses must be passed with a grade of “C” or better and be completed prior to matriculation.

Applicants must have a cumulative undergraduate science GPA of at least 3.0 and a cumulative undergraduate overall GPA of at least 3.0 on a 4.0 scale.

APPLICATION PROCESS

Applications are accepted only through the Central Application Service for Physician Assistants (CASPA) at <https://caspa.liasoncas.com>. All applications *must be verified* by November 1 for the following year, and will be reviewed on a first-come, first-served basis.

Applications will be reviewed and ranked for consideration of an invitation for an interview. No entrance examinations are required for admission to the program. Faculty will review otherwise qualified applications when there are two or fewer outstanding prerequisites.

Additional considerations:

academic & personal achievements, healthcare or patient experience, shadowing, volunteerism.
