

C&S Scholars Program Application

Program Description

The C&S Scholars Program provides Franklin Pierce University students with a high impact, professional and academically relevant experience within our growing industry. Students will be exposed to various experiential opportunities to further enhance their overall learning and to better prepare them for employment opportunities upon graduation. A select group of students will be invited to become C&S Scholars and will receive a deeper immersion into learning opportunities at C&S beginning with a standard 3 credit internship during the junior year, and culminating in a 9 credit co-operative experiential opportunity in the senior year.

Program Requirements

- Any Franklin Pierce student who has completed their first year and is currently a sophomore
- Must be in good academic and conduct standing with the University
- 3.0 or higher GPA preferred
- Professional reference
