The Global Living Learning Community at Franklin Pierce University connects students who share diverse international and multicultural interests, experiences, and aspirations.

Join an inclusive and welcoming community to develop intercultural communication skills, while increasing your global awareness and connecting with unique resources on campus.

Housing accommodations are available to international students during school breaks. Programs within the community may include multicultural food nights and trips into the local community.

Please indicate your interest in joining the Global Living Learning Community on your New Student Questionnaire at campusweb.franklinpierce.edu. Click on the Campus Life tab to complete this form located in the left hand column.

Global Living students are strongly encouraged to sign up for the First Year Inquiry theme of Self and Society or Nature and Culture.
