#### Descriptions for Information Session presentations

**Athletics** - Here at Franklin Pierce we compete at the NCAA Division II level, eligibility is a main priority for our Ravens. This presentation will help educate our incoming student athletes on NCAA academic certification, amateurism, as well as Franklin Pierce regulations. With 24 varsity sports, our student-athletes are responsible for their own eligibility. Through education and continuing eligibility our goal is to ensure our student-athletes have the best collegiate experience.

**First Year Academics** - Join faculty and peer leaders for an overview of the first year academic program. We will cover topics such as the first year seminar and composition courses, the academic advising process, and the General and Liberal Education program. We will also discuss tips for getting your academic career off to a terrific start.

**Information Technology** - Interact with our awesome IT Staff and learn more about the technology resources available on campus, including; game console registration, free printing throughout campus, which WiFi to use, and how to reach us in the event of an issue. During this presentation, we will also provide advice on laptop purchasing, which cellphone carriers are best, as well as how to download Microsoft Office for free!

**Internships and Experiential Learning** - Students with internship and other practical experiences are better positioned in a highly competitive job market. For that reason, the competition for such experiences has never been higher. Learn how you can maximize your freshman year and engage with the Career Center to enhance your marketability in the world of work.

**Residential Life** - Come and learn the ins and outs of Residential Life! What are the most important things you need to know about being a residential student and how to pack so that you bring everything you need for the upcoming year.
