HONOR ROLL OF DONORS 2023

FRANKLIN PIERCE UNIVERSITY HONOR ROLL OF DONORS 2023

President Mooney hosts Visiting Fitzwater Scholar Richard T. Griffiths at Pearly House.

Dear Franklin Pierce Alumni and Friends,

On behalf of our students, faculty, and staff, I am pleased to share this Honor Roll of Donors and acknowledge our many supportive and loyal donors during the 2022-2023 fiscal year. Your generosity demonstrates a continued commitment to Franklin Pierce University, and every member of Raven Nation.

Our 60th year was certainly one of milestone achievements. We concluded our yearlong *Pierce@60* Celebration and enjoyed the premiere of *Pierce@60: Celebrating 60 Years*. Our men's soccer team had a historic national championship run, which ended with The Ravens securing the NCAA DII title. All of Raven Nation joined in their success, and we could not be prouder.

Since our founding in 1962, as a small institution of 90 students housed under the foot of Mt. Monadnock, we have grown to encompass a far-reaching geographic and virtual network. Whether from our 1,200-acre campus in Rindge, N.H., or our Academic Centers in Manchester and Lebanon, N.H., Goodyear, A.Z., and Round Rock, T.X., or online, our mission remains: we meet students where they are, enabling them to succeed academically and prepare for rewarding lives and careers.

As we embark on our final year of the current strategic plan, we continue to invest in our allied-health programs, with the expansion our Doctor of Physical Therapy and Master of Physician Assistant Studies cohorts in New Hampshire and Arizona, and continued the build-out of our newest academic center and PA program in Texas. These investments position Franklin Pierce as a leading institution in training the next generation of caregivers.

We also remain keenly focused on student success, and continue to build more comprehensive, integrated support systems and infrastructure. This work furthers our efforts to strengthen connectivity across the University, and to better meet the needs of all of our students – at Rindge, online, and in our graduate programs, ensuring all Ravens graduate ready for their next step, whatever that may be.

All of these accomplishments, and the work that is still underway, capitalize on the strengths of our diverse community of students, faculty, staff, alumni, parents, and friends of the University. As we reflect on our history and look forward to the future, your continued support helps ensure the opportunity of a Franklin Pierce education is accessible to all Ravens for years to come.

Thank you for your investment in our students and the entire Franklin Pierce community.

Ever forward,

Kim Mooney '83
President

SCHOLARSHIPS HELP RAVENS FLY

Franklin Pierce University is committed to providing a pathway to education that is accessible to all current and future Ravens, and philanthropic support is key to that mission. Gifts large and small, to priorities across the University, help provide our students with the unique Pierce experience.

Gifts to student scholarships are especially helpful in this regard, and are a growing focus of our fundraising efforts. Scholarship gifts not only help fund our students' educational journeys, but they also show recipients how much our community, including our alumni, care about their success.

In a powerful expression of the University's commitment to increasing scholarship funds, in the fall of 2022, President Kim Mooney '83 and her husband, Greg Walsh, led the way by pledging a remarkable gift of \$100,000 to create a scholarship in honor of her parents, Florence H. and William J. Mooney. In addition to being Franklin Pierce's President, Dr. Mooney is also a proud alumna, and hopes her generous gift will inspire fellow graduates and friends of the University to support FPU students.

So far, President Mooney's call is being answered. Following soon after her gift, several other six-figure scholarship gifts were made, and in fiscal year 2022-2023, more than \$600,000 was raised for student financial aid...more than four times the previous annual record.

This momentum, along with the generous support that the donors celebrated in this Honor Roll have provided to the Pierce Annual Fund and so many other program areas, provides great optimism for the University's future.

Scholarships help students bridge financial gaps and create opportunities for many students to afford a Franklin Pierce University education. In addition, scholarships provide a way for alumni and friends to develop a lasting legacy at the University. Additional gifts may be made to a scholarship at any time.
