Physical Therapy Oath

I pledge to hold faithful to my responsibilities as a physical therapist:

To use the highest science and art of my profession at all times;

To exercise judgment to the highest degree of which I am capable
when determining treatment to be offered;

To refrain from treating when it will not benefit the patient;

To always place the welfare of my patients above my own self-interest;

I pledge to uphold and preserve the rights and esteem
of every person placed in my care;

To hold all confidence in trust;

To exercise all aspects of my calling with dignity and honor
and commit myself to the highest ideals of service, learning
and the pursuit of knowledge, these things I do swear.
